

2014 ARUN SUDHAKAR MEMORIAL FUND SCHOLARSHIP

JULIE QUACH

My name is Julie Quach and I will be turning 18 years old this year. I recently graduated from El Monte High School and will be attending the UCLA in the fall of 2014. I plan on majoring in Biology to fulfill my dream of becoming a pharmacist. I deeply appreciate the kindness and support the Sudhakar family, Caltrans and the California Transportation Foundation have shown me in presenting me with this award.
